

DAAP CO-OP TEAM: YEAR AT A GLANCE

The University of Cincinnati is the birthplace of cooperative education (co-op). The Division of Experience-Based Learning and Career Education (ELCE) is proud to partner with DAAP to facilitate world-class experiential learning opportunities. Undergraduate and graduate programs empower DAAP students with a core of knowledge that provides a solid educational base. Our students are prepared for careers in architecture, communication design, fashion design, fine arts, industrial design, interior design and urban planning by a passionate faculty, engaged co-op faculty advisors, rigorous academic endeavors, and a world-class professional practice (co-op) program.

Below you can find our 2021 year-at-a-glance for key dates and events in engaging with DAAP co-op programs:
